The Voice of Tomorrow's Leaders

KULWANT RAI JAIN DAV PUBLIC SCHOOL KAPURTHALA

KRJ Highlights in Skills, Science, and Community IInd Edition

From the Editor's Desk: "A Journey of Ideas, Innovation and Inspiration."

It gives me immense pleasure to present the Second Edition of our School Magazine, which reflects the creativity, talent, achievements and vibrant spirit of our students.

This magazine is a beautiful collection of the hard work and dedication of our students and teachers. I sincerely appreciate the efforts of the editorial team, teachers and everyone who contributed to making this edition meaningful and memorable.

Education is not limited to textbooks and classrooms. It is about developing knowledge, Skills, Values and Confidence.

Simranjot Kaur (IX)
Editor-in-Chief

Ms. Sonali Sharma
Principal

Second Edition of our School Magazine is a reflection of our students' creativity, talent, hard work and achievements.

Our school believes in the holistic development of every child. Through activities like Kaushal Vikas, Kaushal Bodh, Science, Sports and various co-curricular activities, we encourage students to explore their interests, develop practical skills and learn beyond the classroom.

Wishing everyone a bright and successful future!
